Subject: Mission Insurance Company Trust, D/C Distribution, letter responding to your letter of June 27, 2012

Dear Mr. Palmer:

I represent the California Insurance Commissioner as Trustee of the Mission Insurance Company Trust. I write because you sent a letter dated June 27, 2012 to Scott Pearce of the California Insurance Company's Conservation and Liquidation Office.

I attach a letter which addresses concerns you raise in your June 27 letter, and which also attaches the stays issued by the liquidation court in the Mission Insurance Company matter.

In addition, my client reserves all rights under the California Insurance Code, Sections 1011 et seq., including, without limitation, the claims bar statutes under Section 1021-1024 and under the terms of any insurance policies themselves.

After you have had a chance to review the attached materials, if you have any questions or concerns, please do not hesitate to call.

Sincerely,

Robert H. Nunnally, Jr.
